

A Beacon of Light for Your Best Eye Sight

Dear Valued Patient,

Thank you for trusting us with your eye care needs. Your eye exam with Dr. Lessly will include updating your current prescription(s), and a thorough medical eye exam to check the overall health of your eyes including the onset or management of cataracts, glaucoma, macular degeneration, diabetes, high blood pressure & other diseases/eye disorders.

As a reminder, most Health & Vision Insurances such as Medicare, Aetna & VSP provide coverage for eye exams. Most Vision plans also include yearly coverage for lenses & contact lenses. Please call us for details.

It's our commitment to provide superior care and service, quality products with advanced technology, and a professional eye care team to ensure your complete satisfaction. That said...

- We've implemented a new **"Established Patient Discount"** and **"Referral Rewards Program"**
- We have **new medical eye equipment to test for eye disease & disorders** such as glaucoma & macular degeneration
- We're improving technology & implementing **electronic health records to better manage your healthcare**

Please remember to bring the following items to your appointment: Pertinent Health Records, Insurance Cards, Eyeglasses, Eye Drops/Ointments. If you wear Contact Lenses, please wear them to your appointment if you're satisfied with how they feel and you have the name & measurements on the packaging. Otherwise, please bring them with you.

If you have questions prior to your appointment, please contact us at **561-746-5910** or our **Front Desk Manager** [**inletmanager@yahoo.com**](mailto:inletmanager@yahoo.com). We look forward to seeing you soon!

Sincerely,

Dr. Michael Lessly & Staff
